## **'Gloriously talented theatre artists'**

Carl Miller, Unicorn Theatre

ajtc is touring two of its other hugely successful productions - **Scarecrow** and **The Tempest** alongside **The Gardener**

This well respected company is committed to developing and nurturing work for national and international touring. **The Gardener** is one of 8 productions that have delighted audiences of all ages. The company's original approach and range of work has delighted audiences of young and old alike over the past decade.

2013 ajtc will be working with York Theatre Royal on two new productions.

**Tristram Shandy** – an adaptation of Laurence Stern's scatological novel

**Bin Men** an exciting new co-production for young children and their families.
